President Candidate

My name is Consuelo Franklin my background includes a BS in Accounting from University of Phoenix. Currently I am working as a Human Resource Manager in the Healthcare field. I have two magnificent children, my son Kayvon is a freshman at Overland High School and my daughter Keiani is a fifth grader here at HPA in Ms. Eisel's class. I will enjoy being active in our school PTO and supporting our school staff to provide the best possible environment for educating our kids. I am proud to be a part of this outstanding group of PTO members that will provide funding and volunteer hours to make a difference in our school community. I am looking forward to this wonderful opportunity to serve as president this year.

Vice-President Candidate

My name is Arianne Cde Baca. I have worked in education and non-profit for 20 years and love being a part of my community. My son is in 7th grade here at High Point Academy. I am so thankful for the education he receives at High Point. I am excited to take on the role for Vice-President of the PTO. I'm here to support the school and students

Treasurer Candidate

Devaki Parma is a Colorado native who completed her entire K-12 matriculation in Denver Public Schools. She enjoys camping and traveling around the country and the world with her family, which includes her son Matteo, who is a Kindergartner in Mrs. Miller's class. Devaki has served on several boards throughout the years, including Enchanted Closet of Atlanta, the Denver Center for Performing Arts and Women in Cable and Telecommunications. Devaki's experience on these boards as well as a past career as a bank manager and stock broker make her very comfortable and knowledgeable about managing finances and the fiduciary responsibility required in the Treasurer position. Devaki looks forward to being active and providing a meaningful role not only in the Parent Teacher Organization but within the High Point Academy community.

Secretary Candidate

My name is Eva Hernandez. I have over 20 years experience in the education field. From classroom teacher, to director, to Vice President in business development, I have traveled throughout the United States working with different schools. I am extremely happy to have High Point Academy as my home because of it's unique and intimate school setting for staff and students. This is my third year with High Point Academy. I started as a 3rd grade teachers, then taught 5th grade last year. Now I am the Director of Operations. My son Rey is in 5th grade with Mrs. Eisel. As the Director of Operations, I supervise all aspects of the school and therefore feel confident that I can continue to support the partnership and activities between HPA and PTO.

Open Forum- Traffic Safety

- Due to the increase in traffic and construction in our area, HPA needs Traffic Lights on the corner of 64th and Dunkirk Street
- **SIGNAL SERVICE REQUESTS:** You can request traffic signal services by calling 311 or entering a request online at www.denvergov.org/pocketgov. Please identify the specific location of the traffic signal request, 64th and Dunkirk. Describe the specific problem “we need a 4-way traffic light”. A case will be created in the tracking system and you should receive a case number for this issue. To track the status of your request, keep your case number. You can call 311 after the expected time has passed to check in on the status of your request, providing your case number to the 311 agent. If you would like to receive email updates about your case, please provide your email address when you submit your request.
- **We have been requesting this for the past 2 years. It’s time to get this done!**

School Uniforms

Where can parents purchase school uniforms and student custom face masks?

School spirit colors are Hunter Green and Gold

- www.HPAapparel.com (most economical and HPA Custom face masks)
- <https://denver.educationaloutfitters.com/find-my-school/high-point-academy/> (expensive but more options)
- <https://www.1stplacespiritwear.com/customer/1178377>

HPA has purchased a custom face mask for all students in PK-8 🤗
